

# Can the mat be put into the locker

## Overview

---

Rubber gym mats are great for locker rooms because they are non-slip in nature. Unlike other flooring products that may become slippery when wet, these rubberized options maintain traction and grip even in heavily damp conditions. Do I need to put my bag in a locker and continuously go back and forth to retrieve stuff from it?

I genuinely want to know as I don't want to cause any drama for my friendo. Edit: since people seem to be real upset, can I remind you my question is not "Can I bring a bag?"

"I read the rules, as I said. Made with chemicals safer for human health and the environment. OEKO-TEX® STANDARD 100 certified products require every component of a textiles production including all thread, buttons, and trims to be tested against a list of more than 1,000 regulated and unregulated chemicals which may be harmful. Employing rubber gym mats, which offer a slip-resistant and moisture-proof surface, is a great way to combat the possibility of falls and serious injuries. From slip-resistant locker room mats to custom-branded flooring systems, Enhance Mats helps athletic facilities reduce injuries, control moisture and odor, and. Health Clubs, Showers, Spas, Swimming Pools, Saunas and Jacuzzi areas have a lot of barefoot traffic and water. Having the right mat that is easy to clean and allow water to flow through reduces the risks of slips and falls at the facility. Please contact us directly for pricing. At Junkyard Athletic, we understand that every team is unique.
