

Himax electric vehicle battery

Himax electric vehicle battery

[HIMAX - A Qualified Battery Manufacturer](#)

Whether it is lithium-ion batteries for electric vehicles or custom energy storage solutions, HIMAX delivers products that provide the reliability, performance, and sustainability that businesses ...

LiFePO4 Lithium Ion 48V 100Ah Electric Vehicle AGM Replacement ...

The LiFePO4 Lithium Ion 48V 100Ah Electric Vehicle AGM Replacement Battery from Himax Electronics is a Electric Vehicle Battery with Battery Capacity 100000 mAh, Nominal Voltage 51.2 V, Charging ...

[Electric Vehicle & Golf Cart Battery Supplier](#)

HIMAX ELECTRONICS specializes in providing high-performance lithium-ion and LiFePO4 battery packs tailored for automotive, recreational, golf cart and industrial electric vehicles.

[Recommended Himax LiFePO4 Battery Models](#)

Discover the best Himax LiFePO4 battery models from 3.2V to 72V, designed for safety, long life, and high performance in solar, RV, marine, and energy storage systems.

LiFePO4 64V 50Ah

The LiFePO4 64V 50Ah from Himax Electronics is a EV Battery with Battery Capacity 50 Ah, Nominal Voltage 64.0 V, Charging Voltage 72.0 V, Charging Current 10 A, Discharging Voltage 50 V.

Himax Products

As a leading lithium battery factory and custom battery manufacturer in China, Himax offers a range of best lithium batteries and accessories. Welcome to view more product details.

Himax Electronics: Custom Battery Supplier of LiFePO4, Lithium-Ion

As an experienced battery factory, we provide safe, long-lifecycle power products for EV, solar, telecom, medical, and other applications. Contact us for reliable battery manufacturing and supply services!

[Himax 3.2V 100Ah , Wide Temperature](#)

100Ah LiFePO4 Cell

Designed for energy storage systems (ESS), electric vehicles (EVs), industrial applications, and defense systems, this model combines high energy density with outstanding ...

Himax Battery

While no battery is perfect, Himax consistently delivers a well-rounded product that balances performance, safety, and sustainability--making it a trusted name in modern power solutions.

Custom Lithium Battery Manufacturer , HiMAX

HiMAX is a Custom lithium battery manufacturer and supplier. We offer free samples backed by multiple patent certifications, along with OEM/ODM battery solutions.
