

Hong Kong style short hair stick styling technique

Overview

Start by gathering the top or side sections of your hair, twisting or braiding them gently, and then inserting the hair stick at an angle to anchor the style. Hair sticks aren't just for long, flowing locks. They can add a touch of elegance and practicality to shorter styles, from bobs to pixies, provided you adapt your approach. The key is to choose a smaller, lightweight hair stick that complements your hair length and texture, as shorter hair requires less. Wooden hair sticks offer a natural and minimalist aesthetic, making them ideal for casual looks. That feeling of a perfectly secured updo.
