

Ireland environmentally friendly container wholesale

Overview

At Down2Earth Materials, we provide a wide range of eco-friendly packaging solutions, from compostable hot cups and lids to biodegradable cutlery and food containers. Our cups, cutlery, tableware, and takeaway packaging are all certified under EU and Irish Law. This symbol proves that products are certified industrially compostable under EU & Irish Law and that when commercially composted. Ireland's Trusted Wholesale Partner for Sustainable Catering Disposables Supplying over 1. Our commitment shines through in every product we supply. We have always received an excellent service with competitive prices. We are a small family run business, based in Cork, built on 45 years of industry experience, driven by a team who have worked to evolve the business. For over 15 years we have supplied the catering industry in Ireland with a wide range of catering disposables including branded labels, food safety labels, own design labels & branded and unbranded compostable food packaging.
