

# Lithium battery energy storage wiring harness manufacturers ranking

## Overview

---

This comprehensive analysis ranks the top 10 BESS manufacturers based on production capacity, global market presence, technological advancements, and notable project implementations. The global BESS market reached approximately 240 GWh in 2024, a 60% year-over-year increase. CATL (Contemporary Amperex Technology Co., Limited) - China One of the largest. As energy storage takes center stage in the global transition to renewables and sustainable mobility, choosing the right lithium ion battery partner is more crucial than ever. We also support fully customized production and international certification. In battery system. This guide provides industrial buyers with a data-driven framework to interpret market rankings and select the optimal partner for their specific needs in solar battery, golf cart battery, and lithium energy storage battery procurement. 5 GWh in the first half of 2024, of which 101.
