

Middle East 2025 solar container battery Exhibition

Overview

Dubai's energy transformation is accelerating with battery storage technology taking center stage at the 49th Middle East Energy 2025 exhibition. The event, scheduled for April 7-9 at Dubai World Trade Centre, will feature The Battery Show Middle East with participation from 500 top. In 2025, the introduction of a brand-new product sector, Battery & eMobility, will further enhance the exhibition's offerings. Held under the patronage of the UAE Ministry of Energy and Infrastructure. Middle East Energy (MEE) 2025 launched at the Dubai World Trade Centre (DWTC), showcasing the future of energy storage and battery technology—an essential component of the global energy transition.
