

Photovoltaic energy storage battery custom factory

Overview

National Battery Supply is a reputable manufacturer specializing in custom battery solutions. Shenzhen Ensmar Technology Co. is proud to present its cutting-edge photovoltaic Battery Storage factory. Our facility is equipped with state-of-the-art technology for the production of high-quality battery storage systems tailored for photovoltaic applications, At Shenzhen Ensmar Technology. GSL ENERGY offers customized and ready-to-ship wall-mounted LiFePO4 battery solutions ranging from 5kWh to 14. Designed for brand labeling, supporting up to 16 units in parallel, featuring intelligent BMS integration and seamless communication with multiple global inverter protocols. Our expert team delivers high-performance, cost-effective, and environmentally friendly products. As a business committed to reliable energy solutions, it is essential to find high-quality Photovoltaic batteries. Our products emphasize innovation and sustainability, designed to cater to the diverse requirements of various industries.
