Overview

Get a free quote now!. Get a free quote now!. Since 1989, we've manufactured outdoor telecom cabinets in America's Heartland, providing telecommunications companies, utilities, and network operators with BABA-compliant solutions that protect critical equipment from the harshest environmental conditions. Our cabinets are built to withstand harsh weather conditions and provide excellent protection for power. AZE Telecom offers top-quality weatherproof outdoor electrical enclosures and telecom cabinets. Designed to protect your equipment from rain, dust, and extreme temperatures, our waterproof and customizable solutions ensure reliability in any environment. These telecommunications enclosures are constructed with robust materials such as galvanized iron, aluminum, or stainless steel to ensure durability. 5 billion by 2028, driven by 5G infrastructure expansion and smart city initiatives.
