

Ranking of wind-magnetic integrated generator manufacturers

Overview

The top 15 is completed by Siemens Gamesa, GE Vernova, and Nordex, followed by Chinese manufacturers CSIC Haizhuang, Dongfang Electric, SANY, and Shanghai Electric. Leading wind power turbine manufacturers like Vestas (Denmark), Siemens Gamesa (Spain), Goldwind (China), and GE Vernova (France) continue to dominate global markets with massive installed bases and expanding order books. German firms such as ENERCON and Nordex, as well as China's Mingyang Smart. The global wind energy market size was US\$89.7bn in 2024 and is expected to reach US\$260. Here are the top-ranked wind power generator companies as of February, 2026: 1. Vestas. Permanent magnet generators (PMGs) have become a cornerstone technology in the renewable energy sector, particularly within the wind turbine industry. Their efficiency, reliability, and reduced maintenance requirements make them an ideal choice for harnessing wind energy. This year, they released their figures just three days apart, allowing us to make a brief comparison between the data.

Ranking of wind-magnetic integrated generator manufacturers

[Top 10 Wind generator manufacturer in the World 2025](#)

Are you curious about which wind generator manufacturers lead the industry? Understanding the top factories is crucial for making informed choices in renewable energy.

[Top 10: Wind Power Manufacturers . Energy Magazine](#)

Including Vestas, NextEra, Suzlon, Adani Green Energy and GE Vernova, this Top 10 runs through the world's leading wind power manufacturers

[Top Wind Generator Manufacturers in United States](#)

When exploring the wind generator industry in the United States, several key considerations are paramount. First, understanding the regulatory landscape is crucial, as federal, state, and local ...

[Top 10 Wind Turbine Manufacturers in the World by Capacity](#)

Vestas Wind Systems AS, Siemens Gamesa Renewable Energy SA, GE Renewable Energy, Enercon GmbH, Nordex SE, and Nordex SE are the top 5 wind turbine manufacturers in the ...

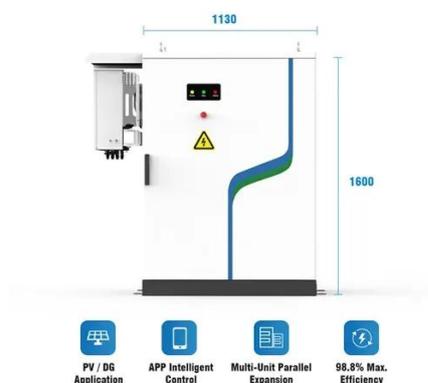

Top Manufacturers Of Permanent Magnet Generators For Wind Turbines

Top manufacturers of permanent magnet generators continually push the boundaries of technology to improve power output, efficiency, and durability. Innovations focus on materials, ...

[Global Top 15 Wind Turbine Manufacturers \[2025\]](#)

German firms such as ENERCON and Nordex, as well as China's Mingyang Smart Energy and Envision Energy, are also key players shaping the future of wind power. This ranking highlights the top 15 ...

[30 Wind Power Generator Manufacturers in 2026](#)

This section provides an overview for wind power generators as well as their applications and principles. Also, please take a look at the list of 30 wind power generator manufacturers and their company ...

WL #106

As every year, the consulting firms BloombergNEF and Wood Mackenzie have published their respective reports analyzing the global market shares of wind turbine manufacturers.

Top 15 wind turbine manufacturers in 2024: China dominates the top 4

For the first time in history, the world's top four wind turbine manufacturers are Chinese: Goldwind, Envision, Mingyang, and Windey. Meanwhile, in 2024, Europe reached a 92% share of its ...
