

Sanjing solar inverter Quality

Overview

SAJ solar inverters are manufactured by Guangzhou Sanjing Electric Co. They are innovative and cost-effective, too. Since its inception in 2005, SAJ has been a prominent name in the solar energy industry, especially noted for its solar inverters that cater to both residential and commercial needs. SAJ, LTD (trading as 'SAJ') is a Chinese company focusing on renewable energy conversion, transmission and storage solutions and motor drive and control technology. It was established back in 2005 with a registered capital of 50. In addition to solar inverters, SAJ also supplies batteries and electric pumps, but I'll only describe. Harness 100% solar energy with SAJ's integrated PV-VFD technology, featuring automatic sun-to-battery switching for uninterrupted off-grid irrigation.

So, Is Saj A Good Solar Inverter Brand?
Example of A Large-Scale Saj Inverter Solar Project
Whilst only being in Australia for a short period of time, SAJ have set up a local office and a clear and straight-forward warranty claim procedure that many of their Chinese competitors have not. The price they are selling the products at, puts them at the cheapest side of the market. Technically speaking their residential inverter range stacks up See more on solarchoice
