

Solar container outdoor power equipment suitable for Auckland New Zealand

Overview

Our off-grid solar packages include everything you need to go off the grid in New Zealand: solar panels, batteries, charge controllers, inverters, cables, and DIY-friendly manuals backed by exceptional customer support. They provide a flexible solution for construction sites, remote farms, and off-grid living. Taspac Energy exists primarily to support the Solar. We've carefully selected manufacturers like Victron and Dyness to ensure exceptional performance and longevity in New Zealand's conditions. Hybrid performance with a generator or an Energy Storage System makes the ZSC mobile solar containers as part of a microgrid solution. Having all of the AC and DC electrical componentry housed in the cabinets.
