

# Solar panels generate electricity for sale

## Overview

---

Discover Jackery solar generators, portable power stations, and solar panels built for essential home backup, RV adventures, and camping. Looking for a hassle-free complete solar power system?

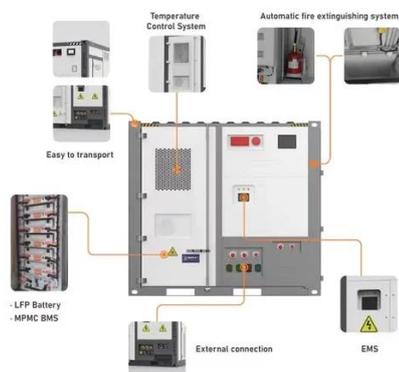

Look no further than our pre-made solar kit packages. These all-inclusive solar kits are designed for simplicity, featuring everything you need for a seamless setup and installation. Which solar panels are the top rated?

The 50-Watt. A solar generator collects sunlight via the included panel, converts it to electricity, and stores it in a rechargeable battery to power various devices on demand—including both direct USB and traditional household outlets. Can I run major appliances?

Match the watts and you're set: the Sidekick. Power your marine adventures with Jackery Solar Generators. Each solar panel kit comes with solar panels, grid-tie inverters and mounting hardware and is customized to your energy needs and home's unique specifications.
