

South African solar energy storage manufacturer

Overview

Professional solar battery solutions and custom energy storage systems for commercial, industrial, and residential applications across South Africa and African markets. Specialists in lithium batteries and photovoltaic container solutions. Celebrating 20 years globally, we are Africa's largest wholesale distributor of Solar PV and energy storage systems. Don't just take our word for it – Find out more below! We are focused on delivering an unrivalled product portfolio at fair prices. Based on geographic reach, State Grid Corporation of China, Hitachi, China Southern Power Grid, Toshiba and Schlumberger are some of the leading patent. SOLA is a 100% South African, vertically integrated renewable energy company that provides solar infrastructure, generation and energy storage. We are proud to have been manufacturing portable power stations, LiFePO4 batteries, inverters, UPS, and solar charge controllers since 1998, with a team of 500 dedicated employees. This not only supports South Africa's green energy goals but also makes economic sense for companies seeking energy independence.

South African solar energy storage manufacturer

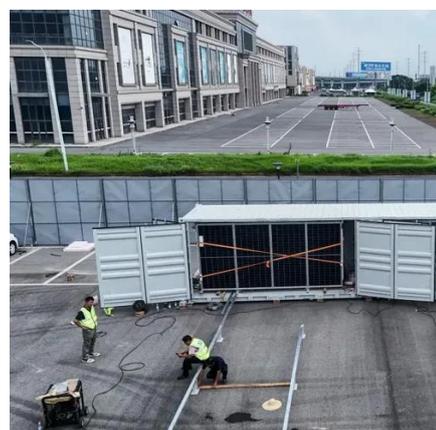

ENERGY STORAGE MANUFACTURERS IN SOUTH AFRICA , Solar Power ...
