

# Three-phase power storage cabinet manufacturer

## Overview

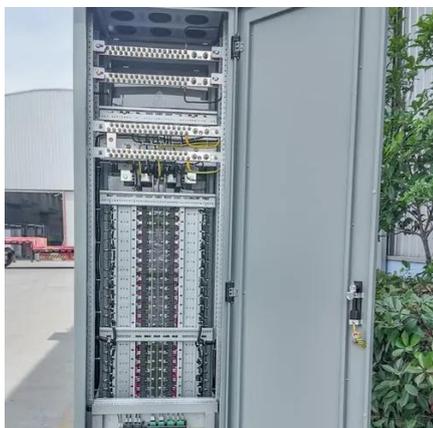

---

Find your three-phase energy storage system easily amongst the 23 products from the leading brands (SCU, Infypower, Energy. ) on DirectIndustry, the industry specialist for your professional purchases. It excels in peak shaving, virtual power plant participation, backup power provision, and three-phase unbalance management, offering customized overall. Oldcastle Infrastructure is working with engineers, contractors, and suppliers across the world to deliver the most efficient, high-quality products that protect the critical infrastructure both above and below ground. Ratings are 400 - 4000 amp 600 volt, 3 phase 4wire, and 1 phase 3wire, NEMA 1/3R dual rated and Isc ratings of 85KA RMS symmetrical with no cable lashing required. (Please contact factory for higher Ratings) Cabinets are surface mounted or free standing, suitable for indoor or out door. Various model's mounting plates accommodate a variety of 15/25/35 kV, 200-600A junctions. The cabinets four eye-bolts allow the line-person to simply hook-up the cabinet, position it over the cables, and place it in the excavated area. ND Cabinets are built ready to go.
