

# Transaction terms for a 10kW outdoor telecom cabinet for emergency command use

## Overview

---

The Base Station Energy Cabinet is a fully enclosed, weather-resistant telecom energy cabinet designed to provide reliable power distribution and battery backup for outdoor communication networks. Effective outdoor cabinet system integration is crucial for maintaining the reliability and performance of critical emergency infrastructure at base stations. To ensure optimal functionality, it is essential to follow certain do's and don'ts during the integration process. The ORC houses DC power, batteries and equipment. Marine grade aluminium construction and fully sealed technology guarantee a long maintenance-free life for the cabinet and complete protection for equipment inside.
