

Trinity photovoltaic panel factory ranking

Overview

Discover the top Tier 1 solar panel manufacturers of 2025 with this updated list. Trinity Solar has been in business for 30 years, and it's one of the largest privately-owned solar installation companies in the country. It uses generally high-quality products and offers customers some flexible payment options. While the residential solar industry is no longer in its infancy, a company that started installing solar in 2004 is one of the old. Note: This Tier 1 ranking is based solely on the financial stability of the manufacturers and should not be interpreted as a measure of solar panel performance or quality. These 12 suppliers are known for their durability, warranty strength, and global reputation. So you can count on them for peace of mind before a high-value purchase.
