

Uganda IP54 Outdoor Cabinet Fixed Type for Cement Plants

5 Years
warranty

Overview

Our 200KWh Outdoor Cabinets energy storage system is built with IP54 protection, ensuring it can withstand harsh weather, from scorching sun to torrential rain. KDM IP54 enclosure has a high level of protection against particles such as dirt, dust, oil, and other non-corrosive material. Also protects from voltage and moving parts for people who come in contact with the enclosure. This means you can meet the needs of large-scale applications without limitations, such as powering communities or supporting commercial projects. 2 device mounting rails are used in 600x450 cabinets, and 4 device. Streamline your project life cycle with N&T Cement as your trusted partner for cement plant manufacturing in Uganda. We are experts in designing.
