Stream Wind Sever (Original Song) [Ult. Megadrive SF2] by MonkeyMan on desktop and mobile. Play over 320 million tracks for free on SoundCloud. Download wind power generation royalty-free audio tracks and instrumentals for your next project. Peter Bamitale . Commissioned by KIKK Festival, 2017 A cluster of windmills is installed above the heads of the pedestrians on a public square in Namur, Belgium. Once the wind blows, each propeller powers a little music box that plays "Für Elise". Since all music boxes are driven asynchronously, the single notes. Enjoy a tranquil scene of wind turbines at work accompanied by relaxing music written by Dominic Wright Composed with Cinematic Studio Strings. Initially we used three dimensional features of AutoCAD and hand-drawn sketches to design both our blade to capture wind and the mechanism that would convert this captured enegry to mechanical motion to play music. These rough sketches would later be improved upon an finished upon based on.
